

Description

Easyroll 50mm Grey Rubber G1 Series Castor 40kg is engineered with a robust steel housing, polypropylene wheel core and rubber wheels, utilising a bolt fitting and plain bearing system. It is designed for efficient movement and dependable load handling in trade applications. The unit features a sleek grey, black and silver finish and uses carbon steel for bearings, providing practical mobility and consistent performance for professionals seeking reliable motion solutions.

Features

- Rugged steel housing ensures durability for heavy loads
- Engineered bolt fitting supports secure castor installation
- High-quality polypropylene wheel cores reduce overall weight
- Rubber wheels provide reliable performance and shock absorption
- Single raceway design offers straightforward movement under load
- Carbon steel bearings deliver smooth, low-friction rotation
- Engineered combination of wheel and core enhances castor endurance
- Distinct grey, black and silver finish provides professional appearance

Product Code: G10A33G50-V2

Specifications

Outdoor Use	Yes
Indoor Use	No
Bearing Type	Plain Bearing
Raceway Type	Single
Fitting Type	Bolt Hole

Appearance

Product Colour	Grey/Black/Silver
----------------	-------------------

Construction

Wheel Core Material	Polypropylene
Wheel Material	Rubber
Housing Material	Steel
Bearing Material	Carbon Steel

Dimensions

Product Length mm	70
Product Width mm	41
Product Height mm	72
Wheel Diameter	50
Tread Width mm	18
Finish Height mm	72
Mounting Size (G) mm	M10
