

Description

Easyroll 100mm Grey Rubber Swivel G1 Series Castor 55kg is constructed with cast iron wheels and a steel housing, providing efficient performance for outdoor material handling. The castor incorporates a plain bearing and total brake system that enables controlled movement for professionals. Bolt fitting installation facilitates easy assembly while the design supports dependable load transfer and precise wheel control, addressing the practical requirements of trade and operational tasks.

Features

- Cast iron wheel for enhanced durability and load support
- Cast iron wheel core ensures long lasting structural integrity
- Steel housing provides robust framework for extended use
- Carbon steel bearings deliver reliable movement and stability
- Bolt fitting simplifies secure installation on various platforms
- Total brake system enables controlled motion and locking capacity
- Outdoor design withstands challenging weather conditions
- Single raceway structure supports smooth swivel rotation

Product Code: G14A33G100

Specifications

Outdoor Use	Yes
Indoor Use	No
Bearing Type	Plain Bearing
Raceway Type	Single
Brake Type	Total
Fitting Type	Bolt Hole

Appearance

Product Colour	Grey/Black/Silver
----------------	-------------------

Construction

Wheel Core Material	Cast Iron
Wheel Material	Cast Iron
Housing Material	Steel
Bearing Material	Carbon Steel

Dimensions

Product Length mm	115
Product Width mm	47
Product Height mm	180
Wheel Diameter	100
Tread Width mm	24
Finish Height mm	122
Bolt Thread Length (mm)	63
Bolt Thread Width (mm)	10
Mounting Size (G) mm	M10
