

## Description

Easyroll 100mm Grey Rubber Total Lock G1 Series Castor 55kg is designed with a polypropylene wheel core, thermoplastic rubber wheel and steel housing and bearing to provide a robust mobility solution. It features a total brake and bolt fitting for secure operational control and is built for demanding trade applications. The castor offers precise movement and stability, simplifying load handling and transport while delivering reliable performance for professionals focused on efficiency and practical design.

## Features

- Steel housing enhances construction durability and performance
- Total lock brake enables secure static positioning when required
- Thermoplastic rubber wheels offer reliable traction on outdoor surfaces
- Polypropylene wheel core reduces friction in rolling operations
- Precision plain bearing ensures smooth rolling movement each time
- Bolt fitting design provides secure mounting on applications
- Single raceway design assists consistent performance over time
- Robust bolt integration ensures stable and secure installation

**Product Code: G14T33G100**

## Specifications

Outdoor Use	Yes
Indoor Use	No
Bearing Type	Plain Bearing
Raceway Type	Single
Brake Type	Total
Fitting Type	Bolt Hole

## Appearance

Product Colour	Grey/Black/Silver
----------------	-------------------

## Construction

Wheel Core Material	Polypropylene
Wheel Material	Thermoplastic Rubber
Housing Material	Steel
Bearing Material	Steel

## Dimensions

Product Length mm	118
Product Width mm	47
Product Height mm	186
Wheel Diameter	100
Tread Width mm	24
Finish Height mm	122
Bolt Thread Length (mm)	75
Bolt Thread Width (mm)	10
Mounting Size (G) mm	M10
