

Description

Easyroll 75mm Grey Rubber Total Lock G1 Series Castor 55kg is designed for trade professionals requiring secure and controlled load management. It features a polypropylene wheel core partnered with thermoplastic rubber wheels and a total lock mechanism that ensures stability during movement. Robust steel housing and bearings contribute to durability, while the bolt fitting system delivers ease of installation and precise handling for those managing heavy loads in various professional settings.

Features

- Constructed with steel housing for long-lasting operational strength
- Polypropylene wheel core delivers dependable support under load
- Thermoplastic rubber wheel offers low-noise rolling performance
- Plain bearing design provides smooth, even rotation
- Bolt hole fitting enables secure and straightforward mounting
- Total brake mechanism yields precise locking control
- Single raceway design promotes balanced load distribution
- Engineered for reliable performance in outdoor conditions

Product Code: G14T33G75

Specifications

Outdoor Use	Yes
Indoor Use	No
Bearing Type	Plain Bearing
Raceway Type	Single
Brake Type	Total
Fitting Type	Bolt Hole

Appearance

Product Colour	Grey/Black/Silver
----------------	-------------------

Construction

Wheel Core Material	Polypropylene
Wheel Material	Thermoplastic Rubber
Housing Material	Steel
Bearing Material	Steel

Dimensions

Product Length mm	105
Product Width mm	47
Product Height mm	165
Wheel Diameter	75
Tread Width mm	24
Finish Height mm	100
Bolt Thread Length (mm)	75
Bolt Thread Width (mm)	10
Mounting Size (G) mm	M10
