

Description

GDM Professional Sprayers Aluminium Extension for Lance is designed for professionals who require precise, reliable sprayer accessories for various technical applications. Constructed from high-quality aluminium with a silver finish and complemented by included hardware, it provides a robust extension option for spray systems. The NBR seal enhances performance and durability during use in both indoor and outdoor settings, ensuring consistent functionality while streamlining maintenance and system adjustments.

Features

- Constructed from durable aluminium with silver finish
- Engineered for precise sprayer accessory performance
- Includes robust hardware for secure installation
- Designed for indoor and outdoor usage requirements
- Features NBR seal for enhanced reliability and durability
- GDM quality ensures reliable sprayer accessory operation
- Precision design supports efficient lance extension functionality
- Aluminium construction provides weight savings and corrosion resistance

Product Code: G1805200
