

Description

Easyroll 50mm Black Nylon Bolt Hole G2 Series Castor 70kg is engineered for reliable load movement in trade and operational settings. It features robust cast iron wheels with a dual raceway design and a steel housing that ensure steady performance under heavy loads. The plain bearing system and bolt hole fitting deliver precise control and durability, providing professionals with efficient mobility solutions for a range of practical applications.

Features

- Cast iron wheel and core provide durable performance at load
- Carbon steel plain bearings offer reliable smooth rolling
- Dual raceway design enhances lateral support and wheel stability
- Bolt hole fitting streamlines installation with secure mounting
- Steel housing ensures robust structure and enduring performance
- Suitable for outdoor and indoor operations
- Easyroll brand quality guarantees dependable wheel handling
- Designed for versatile movement with load capacity up to 70kg

Product Code: G20A00G50

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Bearing Type	Plain Bearing
Raceway Type	Dual
Fitting Type	Bolt Hole

Appearance

Product Colour	Black/Silver
----------------	--------------

Construction

Wheel Core Material	Cast Iron
Wheel Material	Cast Iron
Housing Material	Steel
Bearing Material	Carbon Steel

Dimensions

Product Length mm	75
Product Width mm	51
Product Height mm	72
Wheel Diameter	50
Tread Width mm	17
Finish Height mm	72
Mounting Size (G) mm	M12
