

Description

Easyroll 75mm Grey Rubber Bolt Hole G2 Series Castor 70kg is designed for professionals requiring reliable mobility solutions. This castor features a robust steel housing with stainless steel plain bearings, a polypropylene wheel core and polyurethane wheel material providing smooth traction and durability. Its dual raceway and bolt hole fitting contribute to effective load distribution and precise manoeuvrability, making it a practical choice for various trade applications where efficient movement and technical performance are essential.

Features

- Steel housing provides robust structural integrity
- Polyurethane wheel facilitates smooth and quiet movement
- Dual raceway design improves load distribution
- Stainless steel plain bearing reduces rotational friction
- Polypropylene wheel core yields durability and stability
- Bolt hole fitting enables quick, accurate installation
- Outdoor rated design withstands adverse weather conditions
- Grey black silver finish distinguishes castor appearance

Product Code: G21A33K75

Specifications

Outdoor Use	Yes
Indoor Use	No
Bearing Type	Plain Bearing
Raceway Type	Dual
Fitting Type	Bolt Hole

Appearance

Product Colour	Grey/Black/Silver
----------------	-------------------

Construction

Wheel Core Material	Polypropylene
Wheel Material	Polyurethane
Housing Material	Steel
Bearing Material	Stainless Steel

Dimensions

Product Length mm	100
Product Width mm	75
Product Height mm	98
Wheel Diameter	75
Tread Width mm	25
Finish Height mm	98
Mounting Size (G) mm	M12
