

Description

Easyroll 125mm Grey Urethane Bolt Hole G6 Series Castor 130kg is engineered for practical mobility and precise handling in applications that demand reliable transport solutions. It features a sturdy steel wheel core with a pneumatic wheel and a directional brake system for controlled stops. The bolt hole fitting and steel housing contribute to robust, long-lasting performance. This castor offers value through transport efficiency and reliable operation for trade professionals.

Features

- Manufactured with robust steel wheel core for lasting durability
- Pneumatic wheel reduces vibration and eases load distribution
- Housing and bearing crafted from high-quality steel for strength
- Directional brake system provides controlled stopping during manoeuvres
- Bolt hole fitting ensures secure installation on mobile units
- Single raceway design supports smooth movement and balance
- Indoor and outdoor operation enhances versatility in various settings
- Premium pneumatic wheel material offers improved manoeuvrability

Product Code: G61DZ45K125

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Bearing Type	Ball Bearing
Raceway Type	Single
Brake Type	Directional
Fitting Type	Bolt Hole

Dimensions

Product Length mm	135
Product Width mm	58
Product Height mm	160
Wheel Diameter	125
Tread Width mm	32
Finish Height mm	160
Mounting Size (G) mm	M12

Appearance

Product Colour	Grey/Silver/Green
----------------	-------------------

Construction

Wheel Core Material	Steel
Wheel Material	Pneumatic
Housing Material	Steel
Bearing Material	Steel
