

Description

Easyroll 100mm Grey Urethane Fixed G6 Series Castor 120kg is engineered for reliable performance in professional trade applications. It features a plate mount design with a bolt hole swivel total brake for secure control and precision manoeuvrability. Constructed with a polyurethane wheel, bearing steel housing and ball bearing system, this castor maintains steady movement and ease of installation. Its durable materials and precise design offer practical benefits for controlled material handling and equipment mobility.

Features

- Castor design features robust steel housing for durability
- Polyurethane wheels provide high performance traction under load
- Polypropylene wheel core ensures consistency and reduced wear
- Ball bearing system guarantees smooth rotation and handling
- Total brake offers secure and reliable locking mechanism
- Plate mount design simplifies installation for trade professionals
- Bolt hole swivel enables precise directional control and manoeuvrability
- Single raceway configuration enhances movement and overall stability

Product Code: G63AZ45K100

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Bearing Type	Ball Bearing
Raceway Type	Single
Brake Type	Total
Attachments	Bolt Hole Swivel Total Brake

Appearance

Product Colour: Grey/Silver

Construction

Wheel Core Material	Polypropylene
Wheel Material	Polyurethane
Housing Material	Steel
Bearing Material	Bearing Steel

Weights

Product Weight (grams)	479
Product Weight (kg)	0.479
Load Capacity kg	120.0

Dimensions

Product Length mm	100
Product Width mm	70
Product Height mm	135
Wheel Diameter	100
Tread Width mm	32
Mounting Hole Dimensions mm	12x8
Hole Centre Dimensions mm	73x45
Plate Dimensions mm	95x70
