

Description

Easyroll 125mm White Nylon Bolt Hole G7 Series Castor 100kg is built for professional use in trade applications. Constructed with a stainless steel housing and ball bearings, it provides reliable support and smooth movement. The nylon wheel and wheel core ensure efficient performance over various surfaces while the bolt hole fitting allows for secure installation. Its practical design and robust components offer effective load handling in both indoor and outdoor settings for versatile operational use.

Features

- Stainless steel housing and bearings for lasting robustness
- Nylon wheel and core ensure smooth movement
- White and silver finish offers a modern look
- Bolt hole fitting enables secure attachment
- Single raceway design supports stable manoeuvring
- Engineered for both outdoor and indoor use
- Easyroll product designed for 100kg operational capacity
- Ball bearing mechanism provides smooth and reliable roll performance

Product Code: G71AS48G125

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Bearing Type	Ball Bearing
Raceway Type	Single
Fitting Type	Bolt Hole

Appearance

Product Colour	White/Silver
----------------	--------------

Construction

Wheel Core Material	Nylon
Wheel Material	Nylon
Housing Material	Stainless Steel
Bearing Material	Stainless Steel

Dimensions

Product Length mm	142
Product Width mm	59
Product Height mm	161
Wheel Diameter	127
Tread Width mm	36
Finish Height mm	161
Mounting Size (G) mm	M12
