

Description

Easyroll 75mm Grey Urethane Bolt Hole G7 Series Castor 80kg is built with a robust stainless steel housing, ensuring consistent performance in both indoor and outdoor settings. The polyurethane wheels with a nylon core and ball bearings offer smooth manoeuvrability and reliable transport. Its bolt fitting simplifies installation and promotes secure attachment. Trade professionals benefit from its practical design and durable construction for efficient material handling and precise movement.

Features

- Stainless steel housing and stainless steel ball bearings offer durability
- Nylon wheel core ensures reliable wheel performance
- Polyurethane wheel material resists wear and impact
- Bolt hole fitting offers secure and stable installation
- Single raceway design ensures smooth wheel rotation
- Indoor and outdoor use across diverse surfaces
- Robust polyurethane wheel maintains performance under varied loads
- 80kg load rating per castor supports demanding applications

Product Code: G71AS63K75

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Bearing Type	Ball Bearing
Raceway Type	Single
Fitting Type	Bolt Hole

Appearance

Product Colour	Grey/Silver
----------------	-------------

Construction

Wheel Core Material	Nylon
Wheel Material	Polyurethane
Housing Material	Stainless Steel
Bearing Material	Stainless Steel

Dimensions

Product Length mm	115
Product Width mm	59
Product Height mm	111
Wheel Diameter	75
Tread Width mm	32
Finish Height mm	111
Mounting Size (G) mm	M12
