

Description

Easyroll 75mm White Nylon Bolt Hole Brake G7 Series Castor 100kg is designed with a stainless steel housing and ball bearing assembly to ensure reliable manoeuvrability. Its white and silver finish coupled with nylon wheels supports smooth performance on both indoor and outdoor surfaces. The bolt fitting and total brake feature provide precise control and enhanced safety during load movement, making it a valuable solution for trade professionals seeking efficient and dependable handling.

Features

- Stainless steel housing and bearings for robust performance
- Total brake system ensures secure and controlled stops
- Bolt hole fitting allows precise and reliable installation
- Ball bearing design improves smooth and consistent movement
- Nylon wheel provides low friction for efficient rotation
- White and silver finish ensures a modern, clean appearance
- Supports load of 100kg under practical conditions
- Suitable for indoor and outdoor applications

Product Code: G71TS48G75

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Bearing Type	Ball Bearing
Raceway Type	Single
Brake Type	Total
Fitting Type	Bolt Hole

Appearance

Product Colour	White/Silver
----------------	--------------

Construction

Wheel Core Material	Nylon
Wheel Material	Nylon
Housing Material	Stainless Steel
Bearing Material	Stainless Steel

Dimensions

Product Length mm	142
Product Width mm	59
Product Height mm	161
Wheel Diameter	126
Tread Width mm	34
Finish Height mm	161
Mounting Size (G) mm	M12
