

Description

Colson 80mm Red Urethane Swivel Plate I3 Series Castor 130kg is engineered for precision movement and reliability. It utilises a red urethane wheel with a polyamide 6 core and precision bearing, providing robust load support for diverse operational tasks. Constructed from carbon steel with chrome steel bearings, it offers consistent performance. The plate mount design and single raceway configuration allow for easy manoeuvrability and stable handling during routine use in both indoor and outdoor settings.

Features

- Carbon steel housing provides strong structural support
- Precision chrome steel bearings ensure smooth rotation
- Red urethane wheel delivers dependable low friction motion
- Plate mount design simplifies castor installation
- Durable polyamide 6 wheel core supports consistent performance
- Thermoplastic rubber wheels offer resilient flexible movement
- Functions on both indoor and outdoor mixed surfaces
- Single raceway design supports precise directional movement
