

## Description

Colson 100mm Green Rubber Fixed Plate I3 Series Castor 170kg provides dependable mobility for various equipment and trade applications. Its robust steel housing, coupled with ball bearings, ensures smooth and durable performance in indoor and outdoor settings. The green elastic rubber wheels contribute to reduced friction and noise, while the plate mount design offers secure installation and enhanced stability, making it a practical choice for reliable, everyday operations.

## Features

- Durable steel housing ensures robust performance across multiple applications
- Versatile plate mount fitting allows quick installation and secure stability
- 100mm fixed plate design suits varied equipment and workflow needs
- Ball bearing system reduces friction for smooth movement and operation
- 170kg load capacity supports substantial loads in diverse settings
- Green elastic rubber wheels offer durability and shock absorption
- Plastic wheel core minimises weight for easier equipment handling
- Indoor and outdoor compatibility provides versatile operational flexibility

**Product Code: I33AZ-KL7K100**

## Specifications

Outdoor Use	Yes
Indoor Use	Yes
Bearing Type	Ball Bearing
Raceway Type	Single

## Appearance

Product Colour	Green
----------------	-------

## Construction

Wheel Core Material	Plastic
Wheel Material	Rubber
Housing Material	Steel
Bearing Material	Steel

## Weights

Product Weight (grams)	728
Product Weight (kg)	0.728
Load Capacity kg	170.0

## Dimensions

Product Length mm	105
Product Width mm	88
Product Height mm	129
Wheel Diameter	100
Tread Width mm	24
Mounting Hole Dimensions mm	10.5x9
Hole Centre Dimensions mm	80x60
Plate Dimensions mm	105x88
