

Description

Colson 80mm Red Urethane Fixed Plate I3 Series Castor 130kg is a precision castor engineered for effective load transport. It incorporates a single raceway and precision bearing within a carbon steel housing, utilising a polyamide 6 wheel core and thermoplastic rubber wheel, combined with a red urethane tread. The plate mount fitting provides secure attachment and reliable manoeuvrability for trade professionals seeking consistent performance and technical advantages in their applications.

Features

- Colson I3 Series castors feature robust carbon steel housing
- Red urethane wheel improves traction on varied surfaces
- Wheel core built from polyamide 6 for enhanced durability
- Thermoplastic rubber wheel material offers resilient performance
- Precision chrome steel bearings support smooth movement under load
- Single raceway design contributes to reliable operational efficiency
- Plate mount fitting ensures stable installation and secure operation
- Engineered for indoor and outdoor projects

Product Code: I33AZ-UL8K080

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Bearing Type	Precision Bearing
Raceway Type	Single

Appearance

Product Colour	Red
----------------	-----

Construction

Wheel Core Material	Polyamide 6
Wheel Material	Thermoplastic Rubber
Housing Material	Carbon Steel
Bearing Material	Chrome Steel

Weights

Product Weight (grams)	450
Product Weight (kg)	0.45
Load Capacity kg	130.0

Dimensions

Product Length mm	104
Product Width mm	85
Product Height mm	105
Wheel Diameter	80
Tread Width mm	34
Mounting Hole Dimensions mm	12x9
Hole Centre Dimensions mm	80x60
Plate Dimensions mm	104x85
