

Description

Colson 125mm Red Urethane Fixed Plate I3 Series Castor 250kg offers a plate mount castor designed for trade professionals. Constructed with a steel housing, plastic wheel core and thermoplastic rubber wheel, it incorporates a ball bearing system and single raceway design for smooth movement. Its red urethane wheel provides consistent performance in both indoor and outdoor settings, ensuring practical handling and support during material transport tasks.

Features

- Red urethane wheel ensures impact resistance and durability
- Steel housing offers strength for heavy-duty applications
- Precise ball bearings deliver smooth operational movement
- Plate-mounted design provides secure installation
- Suitable for outdoor and indoor use with strong performance
- Thermoplastic rubber material provides wear resistance over time
- Single raceway design supports stable directional control
- Plastic wheel core contributes to overall lightweight construction

Product Code: I33AZ-UL8K125
