

## Description

Easyroll Fixed J3 Series Castor 120kg is a flat free series caster featuring a steel housing, wheel core and ball bearing assembly that supports smooth operation. Its rubber wheel and single raceway design enable stable motion on different surfaces for various applications. The plate mount design offers straightforward installation, providing reliable performance for industrial and trade professionals who require consistent movement and durability during material handling tasks across indoor and outdoor settings.

## Features

- Heavy-duty plate mount ensures stable secure fit
- Steel housing and bearing construction offers proven durability
- Ball bearing wheel provides smooth reliable rotation
- Outstanding rubber wheel delivers strong grip on surfaces
- Flange design provides secure attachment with plate interface
- Single raceway design minimises friction for smooth movement
- Engineered for versatility in indoor and outdoor use
- Easyroll engineering delivers precision and lasting performance

**Product Code: J33A99B250**

## Specifications

Outdoor Use	Yes
Indoor Use	Yes
Bearing Type	Ball Bearing
Raceway Type	Single
<b>Appearance</b>	
Product Colour	Black
<b>Construction</b>	
Wheel Core Material	Steel
Wheel Material	Rubber
Housing Material	Steel
Bearing Material	Steel

## Weights

Product Weight (grams)	3414
Product Weight (kg)	3.414

## Dimensions

Product Length mm	260
Product Width mm	120
Product Height mm	300
Wheel Diameter	260
Tread Width mm	71
Mounting Hole Dimensions mm	19.6x10.7
Hole Centre Dimensions mm	85x70
Plate Dimensions mm	115x100
