

Description

Easyroll 125mm Red Urethane Fixed Plate J3 Series Castor 340kg is manufactured with a robust steel housing and a polypropylene wheel core complemented by a rubber wheel finish. It utilises a plate mount design with a plate swivel total brake and ball bearings made from carbon steel, ensuring precise control and durability. The design offers reliable manoeuvrability and stability for trade professionals in practical settings, supporting both indoor and outdoor applications with consistent performance.

Features

- Plate mount design for stable and accurate positioning
- Total brake system ensures controlled, predictable stopping power
- Polypropylene wheel core supports durable resilient performance
- Rubber wheel offers high traction with minimal floor impact
- Steel housing ensures robust build under operational loads
- Carbon steel ball bearings deliver smooth, low friction rotation
- Designed for indoor and outdoor applications
- Easyroll quality assembly supports practical everyday performance

Product Code: J33AZ84K125

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Bearing Type	Ball Bearing
Raceway Type	Single
Brake Type	Total
Attachments	Plate Swivel Total Brake

Appearance

Product Colour	Red/Black/Silver
----------------	------------------

Construction

Wheel Core Material	Polypropylene
Wheel Material	Rubber
Housing Material	Steel
Bearing Material	Carbon Steel

Weights

Product Weight (grams)	1788
Product Weight (kg)	1.788
Load Capacity kg	340.0

Dimensions

Product Length mm	135
Product Width mm	110
Product Height mm	165
Wheel Diameter	125
Tread Width mm	43
Mounting Hole Dimensions mm	17x11
Hole Centre Dimensions mm	105x80
Plate Dimensions mm	135x110
