

## Description

Easyroll 200mm Urethane Cast Iron Fixed Plate J3 Series Castor 600kg is designed for precise mobility applications in commercial and trade settings. It features a polyurethane wheel mounted on a cast iron core with a steel housing and carbon steel ball bearings for consistent performance under heavy loads. The unit employs a single raceway construction and a rigid plate mounting system, ensuring reliable movement and straightforward installation for professional use.

## Features

- Constructed with steel housing and polypropylene wheel core
- High-performance polyurethane wheel with fixed plate design
- Ball bearing system improves smooth directional movement
- Rigid plate mount facilitates quick secure installation
- Dual material wheel ensures durability and high resilience
- Strong carbon steel bearings provide robust load support
- Engineered for outdoor and indoor applications
- Single raceway maximises smooth caster rotation

**Product Code: J33AZ85K200H**

## Specifications

|              |              |
|--------------|--------------|
| Outdoor Use  | Yes          |
| Indoor Use   | Yes          |
| Bearing Type | Ball Bearing |
| Raceway Type | Single       |
| Attachments  | Plate Rigid  |

## Appearance

|                |                  |
|----------------|------------------|
| Product Colour | Red/Black/Silver |
|----------------|------------------|

## Construction

|                     |               |
|---------------------|---------------|
| Wheel Core Material | Polypropylene |
| Wheel Material      | Polyurethane  |
| Housing Material    | Steel         |
| Bearing Material    | Carbon Steel  |

## Weights

|                        |       |
|------------------------|-------|
| Product Weight (grams) | 3936  |
| Product Weight (kg)    | 3.936 |
| Load Capacity kg       | 600.0 |

## Dimensions

|                             |         |
|-----------------------------|---------|
| Product Length mm           | 200     |
| Product Width mm            | 110     |
| Product Height mm           | 240     |
| Wheel Diameter              | 200     |
| Tread Width mm              | 50      |
| Mounting Hole Dimensions mm | 17x11   |
| Hole Centre Dimensions mm   | 105x80  |
| Plate Dimensions mm         | 135x110 |
