

## Description

Precision Brand Square Key Steel 1 1/2x1 1/2" Imperial Steel is constructed from C1018 steel and finished in a neutral silver tone, ensuring a robust and precise component suitable for key alignment and mechanical support tasks. It incorporates integrated hardware for efficient assembly and is designed to serve indoor applications with reliability and accuracy for trade professionals seeking dependable and high-quality engineered parts.

## Features

- Constructed of durable C1018 steel for accurate keys
- Machined for precision and consistent key dimensions
- Silver finish enhances a professional appearance
- Includes matching hardware for secure installation
- Designed for indoor use with precise tolerances
- Imperial unit measurements simplify ordering and replacement
- Suitable for mechanical applications requiring tight tolerances
- Key steel built for reliable performance under demanding use

**Product Code: KS1 1/2X1 1/2**

## Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
<b>Appearance</b>	
Product Colour	Silver
<b>Construction</b>	
Product Material 1	C1018 Steel

## Weights

Product Weight (grams)	3,470.04
Product Weight (kg)	3.47004

## Dimensions

Squared (IN)	1.5 SQ
Product Length (IN)	12"

## Specifications

Unit of Measure	Imperial
