

Description

Precision Brand Square Key Steel 1 1/4x1 1/4" Imperial Steel is manufactured from C1018 steel with a silver finish and comes complete with hardware. This key steel is designed to provide precise alignment and secure fastening in mechanical assemblies. Its consistent dimensions and quality build offer practical technical advantages, making it a valuable component for trade professionals in various precision applications.

Features

- Fabricated with durable C1018 steel
- Silver finish offers a neat contemporary appearance
- Precision dimensions ensure accurate, repeatable assembly
- Engineered for tight tolerance control and dependability
- Includes full hardware for complete installation
- Optimised for indoor use with controlled conditions
- Features Imperial measurement system for precise fit
- Precision Brand heritage underpins robust design and performance

Product Code: KS1 1/4X1 1/4

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Silver
Construction	
Product Material 1	C1018 Steel

Weights

Product Weight (grams)	2,409.98
Product Weight (kg)	2.40998

Dimensions

Squared (IN)	1.25 SQ
Product Length (IN)	12"

Specifications

Unit of Measure	Imperial
