

## Description

Precision Brand Square Key Steel 1 1/8x1 1/8" Imperial Steel is a robust component engineered from C1018 steel that meets design requirements for precise motion systems. The product has a silver finish and includes integrated hardware, ensuring secure applications in assembly, repair, and custom manufacturing tasks. Its high-quality construction supports accurate alignment and repeatable performance, adding technical value for trade professionals managing detailed construction, repair and maintenance projects.

## Features

- Constructed from durable C1018 steel
- Precision Brand engineering for enhanced reliability
- Silver finish offering clear visual identification
- Square design ensures consistent installation
- Hardware included for easy installation
- Engineered for efficient indoor performance
- Measures 1 1/8 x 1 1/8 in imperial
- Specifically designed key steel for precise alignment

**Product Code: KS1 1/8X1 1/8**

## Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
<b>Appearance</b>	
Product Colour	Silver
<b>Construction</b>	
Product Material 1	C1018 Steel

## Weights

Product Weight (grams)	1,951.84
Product Weight (kg)	1.95184

## Dimensions

Squared (IN)	1.125 SQ
Product Length (IN)	12"

## Specifications

Unit of Measure	Imperial
