

Description

Precision Brand Square Key Steel 1 3/4x1 3/4" Imperial Steel is designed for precise mechanical connections in trade applications. Constructed from C1018 Steel and finished in silver, it provides consistent, reliable performance for secure fits. The product features integrated hardware and is optimised for indoor use, supporting straightforward assembly and accurate alignment in various technical setups. Its robust design meets the practical requirements of professionals seeking dependable, precision-engineered key components.

Features

- Precision Brand engineered key steel for consistent performance
- Manufactured from durable C1018 steel construction
- Refined silver finish for clear standard aesthetics
- Includes integral hardware for secure assembly
- Designed for precise keying with Imperial measurements
- Engineered for indoor use with robust structural integrity
- Square design accommodates secure key performance compatibility
- Measured in Imperial units for precise sizing and fit

Product Code: KS1 3/4X1 3/4

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Silver
Construction	
Product Material 1	C1018 Steel

Weights

Product Weight (grams)	4,721.98
Product Weight (kg)	4.72198

Dimensions

Squared (IN)	1/3/4 SQ
Product Length (IN)	12"

Specifications

Unit of Measure	Imperial
