

Description

Precision Brand Square Key Steel 1 5/8x1 5/8" Imperial Steel is a versatile fastening component manufactured from C1018 steel and finished in a silver hue. It is designed to provide consistent mechanical performance in precision assembly applications. The included hardware supports straightforward installation and secure fitment for various applications. This key steel offers a reliable solution for professionals who need dependable mechanical interfacing components.

Features

- Manufactured from durable C1018 steel for consistent performance
- Precision Brand quality ensures uniform dimensions and reliable fit
- Finished in silver with smooth clean appearance
- 1 5/8 x 1 5/8 inch dimensions ensure accurate assembly
- Includes all necessary hardware for complete secure fixing
- Engineered for consistent performance in everyday installations
- Constructed for durability and reliable service in use
- Design optimised for ease of installation and handling

Product Code: KS1 5/8X1 5/8
