

## Description

Precision Brand Square Key Steel 1/2x1/2" Imperial Steel is a well-engineered key made from C1018 Steel, providing precise alignment and reliable connection in various applications. Designed for indoor use, it supports efficient assembly with secure fastening while the included hardware simplifies installation. Its silver finish and consistent design aid trade professionals in achieving accurate and durable results for projects requiring dependable steel components.

## Features

- Constructed from high-grade C1018 steel
- Polished silver finish for a professional look
- Square design ensures precise key alignment
- Hardware securely integrated for enhanced durability
- Compact Imperial dimensions for standard compatibility
- Engineered for reliable performance in critical applications
- Indoor use optimises maintenance and operational efficiency
- Precision Brand quality assures consistent key performance

**Product Code: KS1/2X1/2**

## Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
<b>Appearance</b>	
Product Colour	Silver
<b>Construction</b>	
Product Material 1	C1018 Steel

## Weights

Product Weight (grams)	385.56
Product Weight (kg)	0.38556

## Dimensions

Squared (IN)	1/2 SQ
Product Length (IN)	12"

## Specifications

Unit of Measure	Imperial
