

Description

Precision Brand Square Key Steel 1/2x1/2" Imperial Stainless Steel is manufactured from reliable 303/304 stainless steel designed for precision alignment and secure identification tasks. Its silver finish and robust construction deliver dependable performance for indoor applications. The inclusion of essential hardware supports straightforward integration, offering technical advantages that promote accuracy and durability for trade professionals handling intricate tasks and assembly work.

Features

- Constructed from high-quality 303/304 stainless steel
- Silver finish enhances visibility and practical usability
- Precise imperial dimensions support accurate, reliable installations
- Includes matching hardware for straightforward assembly
- Intended for indoor applications with superior structural integrity
- Built to Precision Brand quality and stringent material selection
- Robust design ensures long-lasting performance and durability
- Engineered key steel offers secure, precise engagement for components

Product Code: KS1/2X1/2SS

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Silver
Construction	
Product Material 1	303/304 Stainless Steel

Weights

Product Weight (grams)	385.56
Product Weight (kg)	0.38556

Dimensions

Squared (IN)	1/2 SQ
Product Length (IN)	12"

Specifications

Unit of Measure	Imperial
