

Description

Precision Brand Rectangle Key Steel 1/2x3/4" Imperial Steel is a precision-engineered key steel product made from C1018 Steel with a silver finish. It is designed for secure and accurate mechanical assembly, supporting precise adjustments and alignment in a range of professional trade applications. The inclusion of hardware facilitates efficient onsite installation, while its dimensions in Imperial units ensure consistency and reliability for technical projects.

Features

- Precision-built key steel from high-quality C1018 steel
- Engineered for reliable performance in key applications
- Constructed in silver finish for clear visual identification
- Includes integrated hardware for convenient installation
- Built with precision for firm lock integration
- Suitable for indoor settings in controlled environments
- Features robust construction and dependable service
- Designed to meet exact technical specifications

Product Code: KS1/2X3/4

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Silver
Construction	
Product Material 1	C1018 Steel

Weights

Product Weight (grams)	578.34
Product Weight (kg)	0.57834

Dimensions

Product Height (IN)	0.75
Product Width (IN)	0.5
Product Length (IN)	12"

Specifications

Unit of Measure	Imperial
