

Description

Precision Brand Rectangle Key Steel 1/2x5/8" Imperial Steel is a rectangular key featuring a silver finish and constructed from C1018 steel. It is designed for precise mechanical engagement and accuracy in assembly units. With included hardware and standard imperial measurements, the product offers reliable integration and effective performance in technical setups. Its robust construction and clear sizing contribute to efficient and accurate system interfacing for trade professionals.

Features

- Constructed using durable C1018 steel for reliable strength
- Finished in silver for a clean, professional look
- Manufactured to Precision Brand standards with tight tolerances
- Provided hardware ensures straightforward installation process
- Standard Imperial measurements allow easy integration into projects
- Engineered for steady performance in everyday applications
- Rectangle design offers easy assembly alignment
- Key steel design yields balanced dimensions and geometry

Product Code: KS1/2X5/8

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Silver
Construction	
Product Material 1	C1018 Steel

Weights

Product Weight (grams)	482.18
Product Weight (kg)	0.48218

Dimensions

Product Height (IN)	0.625
Product Width (IN)	0.5
Product Length (IN)	12"

Specifications

Unit of Measure	Imperial
