

Description

Precision Brand Rectangle Key Steel 1/4x1/2" Imperial Steel is manufactured from high-quality C1018 steel, featuring a silver finish and robust hardware for secure, accurate performance in assembly and repair tasks. Designed for trade professionals, it ensures reliable component alignment and proper force distribution. The product integrates seamlessly with complementary parts, offering consistent performance and technical precision in controlled indoor settings.

Features

- Built from C1018 steel for reliable performance
- Precision Brand quality ensures accurate dimensions and form
- Durable silver finish delivers a professional appearance
- Includes hardware components for comprehensive application
- Indoor use enhances performance without weather exposure
- Designed for precision results on 1/4x1/2" dimensions
- Engineered for repeatable measurements and high quality
- Manufactured with precision for professional trade applications

Product Code: KS1/4X1/2

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
