

Description

Precision Brand Square Key Steel 1/4x1/4" Imperial Steel is manufactured from C1018 steel and finished in silver. It serves as a precise component for securing parts and ensuring accurate alignment in equipment assemblies. The integrated hardware simplifies installation processes using Imperial measurements and enhances functionality for trade professionals. Designed for indoor applications, it supports reliable and consistent operations in various technical systems and assembly tasks.

Features

- Constructed from high-quality C1018 steel for consistent performance
- Polished silver finish supports accurate identification
- Hardware included ensures complete installation convenience
- Designed for indoor use with standard imperial measurements
- Precision Brand quality delivers reliable, repeatable key engagement
- Square design optimises key alignment and secure insertion
- 1/4 x 1/4 inch dimensions suit precise assembly requirements
- Designed for efficient imperial installation and accurate component coupling

Product Code: KS1/4X1/4

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Silver
Construction	
Product Material 1	C1018 Steel

Weights

Product Weight (grams)	96.39
Product Weight (kg)	0.09639

Dimensions

Squared (IN)	1/4 SQ
Product Length (IN)	12"

Specifications

Unit of Measure	Imperial
