

## Description

Precision Brand Square Key Steel 1/4x1/4" Imperial Stainless Steel is manufactured from 303/304 stainless steel with a silver finish and includes attached hardware. It offers a precise solution for secure fittings and connections in indoor settings. Designed with practical applications in mind, it assists industrial and trade professionals in equipment servicing and technical maintenance, ensuring consistent performance and ease of integration in routine operations.

## Features

- Constructed from 303/304 stainless steel for improved durability
- Robust silver finish provides an attractive enduring appearance
- Design engineered for precise fit with associated hardware
- Durable construction ensures lasting performance indoors without compromise
- Crafted for easy integration in standard imperial setups
- Precision design guarantees secure operation and reliable function
- Engineered for straightforward installation with complete hardware provided
- Standard key dimensions suit imperial measurements for installation

**Product Code: KS1/4X1/4SS**

## Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
<b>Appearance</b>	
Product Colour	Silver
<b>Construction</b>	
Product Material 1	303/304 Stainless Steel

## Weights

Product Weight (grams)	96.39
Product Weight (kg)	0.09639

## Dimensions

Squared (IN)	1/4 SQ
Product Length (IN)	12"

## Specifications

Unit of Measure	Imperial
