

Description

Precision Brand Rectangle Key Steel 1/4x3/8" Imperial Steel. Manufactured from C1018 Steel in a silver finish, this key steel is designed for professional use in technical applications. It provides secure, precise connections for machinery components, contributing to efficient assembly and alignment. With included hardware for straightforward installation and an exact Imperial measurement, the product offers reliable performance for trade professionals working in controlled indoor environments.

Features

- C1018 steel provides robust strength and durability
- Precision engineered design for repeatable and accurate applications
- Silver finish resists corrosion and ensures clean aesthetics
- Includes hardware for fast and secure mounting
- Measured in imperial units for precise dimension validation
- Designed with clarity to maintain tight tolerances
- Rectangular shape supports reliable alignment in assembly
- Robust construction meets critical technical demands

Product Code: KS1/4X3/8

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Silver
Construction	
Product Material 1	C1018 Steel

Weights

Product Weight (grams)	144.74
Product Weight (kg)	0.14474

Dimensions

Product Height (IN)	0.375
Product Width (IN)	0.25
Product Length (IN)	12"

Specifications

Unit of Measure	Imperial
