

Description

Precision Brand Rectangle Key Steel 1/4x5/16" Imperial Steel is a robust key steel manufactured from C1018 steel with a silver finish. It is designed to provide precise keying in mechanical assemblies for trade professionals. The product, supplied with full hardware, facilitates secure and accurate connections in various applications. Its engineered dimensions and construction offer a dependable solution for achieving consistent performance in demanding environments.

Features

- Durable C1018 steel material for reliable performance
- Precision engineered by PRECISION BRAND for consistent quality
- Silver finish offers attractive decorative property
- Convenient Imperial measurements ensure precise integration
- Rectangular design simplifies alignment with corresponding fittings
- Built with included hardware for fast installation
- Optimised for precision and dependable operation
- Robust construction improves reliability and routine performance

Product Code: KS1/4X5/16

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Silver
Construction	
Product Material 1	C1018 Steel

Weights

Product Weight (grams)	120.57
Product Weight (kg)	0.12057

Dimensions

Product Height (IN)	0.3125
Product Width (IN)	0.25
Product Length (IN)	12"

Specifications

Unit of Measure	Imperial
