

Description

Precision Brand Square Key Steel 1/8x1/8" Imperial Stainless Steel is a precisely engineered component crafted from 303/304 stainless steel for robust indoor use. It provides dependable performance for trades professionals requiring accurate fittings and reliable structural support. The silver finish and included hardware ensure straightforward installation. Its imperial measurements facilitate practical applications in technical settings, offering a consistent and efficient solution for precision tasks.

Features

- Manufactured from 303/304 stainless steel
- Precision engineered for reliable performance
- Designed for indoor applications
- Includes hardware for secure installation
- Silver finish offers corrosion resistance and durability
- Precision Brand ensures robust performance
- Imperial measurements support accurate component alignment
- Key Steel design delivers dependable fit and function

Product Code: KS1/8X1/8SS

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes

Appearance

Product Colour	Silver
----------------	--------

Construction

Product Material 1	303/304 Stainless Steel
--------------------	-------------------------

Weights

Product Weight (grams)	24.09
Product Weight (kg)	0.02409

Dimensions

Squared (IN)	1/8 SQ
Product Length (IN)	12"

Specifications

Unit of Measure	Imperial
