

Description

Precision Brand Rectangle Key Steel 14x25mm Metric Steel is a precision-engineered tool crafted from C1020 to C1045 steel with a durable gold finish. It is designed for technical applications requiring exact dimensions and reliable performance. The product incorporates essential hardware and utilises metric measurements, facilitating precise integration into modern design and maintenance projects for trade professionals. Its construction supports consistent functionality and dependable results in everyday technical tasks.

Features

- Constructed from high-quality C1020 to C1045 steel
- Gold finish for improved visibility
- Precision engineering guarantees exact key positioning
- Includes matching hardware for complete assembly
- Solid build promotes reliable key engagement
- Precision manufacturing ensures tight tolerances
- Robust design delivers durable performance
- Clarified metric dimensions for straightforward installation

Product Code: KS14X25MM

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Gold
Construction	
Product Material 1	C1020 to C1045 Steel

Weights

Product Weight (grams)	850
Product Weight (kg)	0.85

Dimensions

Product Height (mm)	6
Product Width (mm)	14
Product Length (mm)	25

Specifications

Unit of Measure	Metric
