

## Description

Precision Brand Rectangle Key Steel 1x1 1/4" Imperial Steel is a precision-engineered key component manufactured from C1018 steel with a silver finish and includes integrated hardware. It is designed to provide accurate, secure alignment for fastening and locking tasks in maintenance and repair applications widely used by trade professionals. The design supports consistent performance, ease of installation and precise operation in routine technical environments.

## Features

- Precision engineered key steel for reliable performance
- Constructed using robust C1018 steel
- Finished in a classic silver tone
- Hardware included for secure assembly and installation
- Designed for indoor use with precise components
- Engineered for accurate measurements and dependable performance
- Precisely sized in 1x1 1/4 inch dimensions
- Precision Brand product crafted to strict tolerances

**Product Code: KS1X1 1/4**

## Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
<b>Appearance</b>	
Product Colour	Silver
<b>Construction</b>	
Product Material 1	C1018 Steel

## Weights

Product Weight (grams)	1,927.8
Product Weight (kg)	1.9278

## Dimensions

Product Height (IN)	1.33
Product Width (IN)	1
Product Length (IN)	12"

## Specifications

Unit of Measure	Imperial
