

Description

Precision Brand Square Key Steel 22x22mm Metric Steel is designed for secure assembly in technical systems and repair applications. Crafted from C1020 to C1045 steel, the product offers consistent performance and durability for indoor use. The inclusion of hardware facilitates straightforward installation and reliable connections in various professional settings. Its measured design supports precision fitment and contributes to efficient, practical solutions for trade professionals who require robust components in their projects.

Features

- Constructed from C1020 to C1045 steel ensuring robust performance
- Precision engineered design supports tight tolerances and alignment
- Attractive gold finish adds a refined indoor aesthetic
- Designed for metric applications with clear dimensions provided
- Includes integrated hardware for convenient installation
- Square 22x22 mm design for uniform fitting in assemblies
- Manufactured to strict tolerances for dependable operation
- Crafted units ensure consistent quality and favourable reliability

Product Code: KS22X22MM

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Gold
Construction	
Product Material 1	C1020 to C1045 Steel

Weights

Product Weight (grams)	1,170
Product Weight (kg)	1.17

Dimensions

Product Height (mm)	90
Product Width (mm)	25
Product Length (mm)	22

Specifications

Unit of Measure	Metric
