

Description

Precision Brand Rectangle Key Steel 22x25mm Metric Steel is manufactured from high-grade C1020 to C1045 Steel and features a gold finish designed exclusively for indoor use. It provides reliable interlocking in precision assemblies and supports secure and efficient integration in mechanical systems. Its accurate metric dimensions and robust construction deliver dependable performance for industrial and trade professionals seeking precise and stable solutions.

Features

- Manufactured from precision C1020 to C1045 steel
- Gold finish provides high visual contrast
- Designed for indoor use in controlled environments
- Metric consistency ensures straightforward measurement compatibility
- Includes standard hardware for secure installation
- Crafted for precision performance under routine usage
- Rectangular shape enhances stability in lock systems
- Built using metric dimensions to support precise assembly

Product Code: KS22X25MM

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Gold
Construction	
Product Material 1	C1020 to C1045 Steel

Weights

Product Weight (grams)	1,330
Product Weight (kg)	1.33

Dimensions

Product Height (mm)	90
Product Width (mm)	22
Product Length (mm)	25

Specifications

Unit of Measure	Metric
