

Description

Precision Brand Rectangle Key Steel 25x28mm Metric Steel is manufactured from C1020 to C1045 steel with a gold finish. Designed with integrated hardware, this key steel delivers precise measurements and reliable performance for indoor applications. It supports the secure alignment of components and ensures consistent engagement across various uses. The product offers practical functionality and durability, providing a dependable solution for professionals engaged in trades and industrial applications.

Features

- Precision machined dimensions for consistent performance
- Constructed of durable C1020 to C1045 steel
- Distinct gold finish for clear visual identification
- Metric key dimensions ensure accurate component fit
- Engineered for reliable performance for indoor applications
- Includes complete hardware for efficient installation
- Precision Brand quality ensures dependable key steel construction
- Designed with practical dimensions to meet technical requirements

Product Code: KS25X28MM

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Gold
Construction	
Product Material 1	C1020 to C1045 Steel

Weights

Product Weight (grams)	1,695
Product Weight (kg)	1.695

Dimensions

Product Height (mm)	15
Product Width (mm)	25
Product Length (mm)	28

Specifications

Unit of Measure	Metric
