

Description

Precision Brand Square Key Steel 2x2" Imperial Steel is manufactured from C1018 steel with a silver finish and comes with complete hardware. It provides a standard solution for precise alignment in assembly processes, offering dependable performance for securing mechanical components. Its consistent dimensions and robust material meet the needs of trade professionals seeking reliable, practical applications. The design focuses on technical precision and standardised construction.

Features

- High quality C1018 steel ensures a robust and durable core
- Sleek silver finish provides a clean, professional aesthetic
- Included hardware supports full installation integration
- Precision dimensions suit square key steel applications
- Measures 2x2 inches in standard Imperial units
- Engineered for indoor use with robust construction
- PRECISION BRAND quality meets demanding performance requirements
- Reliable key steel design enables smooth operation

Product Code: KS2X2

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Silver
Construction	
Product Material 1	C1018 Steel

Weights

Product Weight (grams)	6,168.96
Product Weight (kg)	6.16896

Dimensions

Squared (IN)	2 SQ
Product Length (IN)	12"

Specifications

Unit of Measure	Imperial
