

Description

Precision Brand Rectangle Key Steel 3/16x1/4" Imperial Steel is a well-engineered component made from C1018 Steel and finished in a silver tone. Designed for precise applications, it incorporates a reliable hardware set to support secure installations. This key steel is suited for assembly and alignment tasks, offering consistency and durability in performance. It is tailored for trade professionals seeking dependable quality and technical effectiveness in their component fixtures.

Features

- Precision Brand key steel featuring a silver finish
- Fabricated from C1018 steel ensuring reliable material properties
- Includes hardware for easy key application
- Designed for use in indoor settings
- Imperial unit measurements for precise engineering fittings
- Engineered with durability and robust steel construction
- Silver finish reduces visual distraction and reflects light
- Precision workmanship guarantees consistent key dimensions and performance

Product Code: KS3/16X1/4

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Silver
Construction	
Product Material 1	C1018 Steel

Weights

Product Weight (grams)	72.17
Product Weight (kg)	0.07217

Dimensions

Product Height (IN)	0.25
Product Width (IN)	0.1875
Product Length (IN)	12"

Specifications

Unit of Measure	Imperial
