

Description

Precision Brand Square Key Steel 3/16x3/16" Imperial Stainless Steel is crafted from 303/304 stainless steel in a silver finish for precise keying tasks. It is designed for accurate alignment in mechanical assemblies and facilitates secure connections in technical applications. The product includes all necessary hardware and follows an imperial unit system, providing trade professionals a reliable component for efficient and standardised equipment assembly.

Features

- Made from 303/304 stainless steel for robust durability
- Finished in silver for a professional appearance
- Dimensions in imperial measurement for precise technical applications
- Square design ensures secure alignment with key mechanisms
- Includes complete hardware for straightforward installation
- Engineered for reliable performance in demanding indoor environments
- Manufactured to precision for technical reliability and consistent results
- Built by Precision Brand with proven industry expertise

Product Code: KS3/16X3/16SS

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Silver
Construction	
Product Material 1	303/304 Stainless Steel

Weights

Product Weight (grams)	54.21
Product Weight (kg)	0.05421

Dimensions

Squared (IN)	3/16 SQ
Product Length (IN)	12"

Specifications

Unit of Measure	Imperial
