

Description

Precision Brand Square Key Steel 3/32x3/32" Imperial Steel is a key constructed from C1018 Steel with a silver finish designed for precision machine operation in trade applications. The key, complete with supporting hardware, is manufactured to Imperial specifications, ensuring reliable performance in controlled indoor settings. Its straightforward design and durable construction meet the needs of precision assembly processes and provide practical value in technical applications.

Features

- Made from high-quality C1018 steel for durability
- Precision design ensures accurate and reliable key operation
- Silver finish provides a clean, professional aesthetic
- Indoor application enhances usage in standard work environments
- Dimensions measured in Imperial units for precise fit
- Integrated hardware supports secure installation and operation
- Engineered for repeatable performance in technical assignments
- Precision Brand assures product reliability and engineering quality

Product Code: KS3/32X3/32

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Silver
Construction	
Product Material 1	C1018 Steel

Weights

Product Weight (grams)	13.15
Product Weight (kg)	0.01315

Dimensions

Squared (IN)	3/32 SQ
Product Length (IN)	12"

Specifications

Unit of Measure	Imperial
