

Description

Precision Brand Rectangle Key Steel 3/4x1" Imperial Steel is manufactured from C1018 steel with a silver finish, providing reliable precision for technical applications. It includes the necessary hardware for straightforward installation and component alignment in maintenance tasks. Designed for trade professionals, the steel key offers consistent performance and accuracy, supporting efficient assembly and secure fits in various practical settings. The product's robust construction and precise fabrication enhance productivity during routine operations.

Features

- Constructed from durable C1018 steel for dependable performance
- Engineered for precise alignment in key assembly applications
- Intended for indoor key assembly operations
- Silver finish facilitates visual inspection during assembly
- Includes integrated hardware for streamlined installation
- Imperial measurements ensure reliable compatibility with standard components
- Versatile key design offers robustness for secure assembly
- Precision Brand quality supports enhanced performance under demanding use

Product Code: KS3/4X1

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Silver
Construction	
Product Material 1	C1018 Steel

Weights

Product Weight (grams)	1,156.68
Product Weight (kg)	1.15668

Dimensions

Product Height (IN)	1
Product Width (IN)	0.75
Product Length (IN)	12"

Specifications

Unit of Measure	Imperial
