

Description

Precision Brand Square Key Steel 3/4x3/4" Imperial Steel is manufactured from high-quality C1018 steel and finished in silver. The key steel is engineered for precise mechanical applications with complete hardware included, ensuring accurate assembly and secure connections. Trade professionals benefit from its reliable construction, practical design and consistent performance in repair and maintenance tasks, supporting efficient and effective operations in technical projects.

Features

- Manufactured with robust C1018 steel for dependable performance
- Precision engineered for consistent key coupling in mechanical assemblies
- Features a sleek silver finish enhancing visual clarity
- Compact design simplifies alignment in tight fit assemblies
- Precision Brand quality ensures reliable performance in demanding tasks
- Includes essential hardware for immediate functional integration
- Measures in Imperial units for easy compatibility with existing systems
- Engineered with a focus on accuracy and user convenience

Product Code: KS3/4X3/4

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Silver
Construction	
Product Material 1	C1018 Steel

Weights

Product Weight (grams)	867.74
Product Weight (kg)	0.86774

Dimensions

Squared (IN)	3/4 SQ
Product Length (IN)	12"

Specifications

Unit of Measure	Imperial
