

## Description

Precision Brand Square Key Steel 3/4x3/4" Imperial Stainless Steel is a precision-engineered key constructed from 303/304 stainless steel, ensuring reliable strength and accuracy in typical assembly applications. It offers clear advantages to trade professionals through its robust design and included hardware, facilitating smooth installation and secure alignment. The product is tailored for standard imperial measurements, providing a dependable solution for maintenance and repair projects across various technical environments.

## Features

- Constructed using 303/304 stainless steel for durability
- 3/4 by 3/4 dimensions ensure a precise fit
- Polished silver finish presents a neat, clean look
- Integrated hardware enables straightforward installation process
- Measured in imperial units for consistent compatibility
- Square profile provides secure and uniform alignment
- High grade stainless steel delivers durable long term performance
- Designed for indoor use with precision engineering

**Product Code: KS3/4X3/4SS**

## Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
<b>Appearance</b>	
Product Colour	Silver
<b>Construction</b>	
Product Material 1	303/304 Stainless Steel

## Weights

Product Weight (grams)	867.74
Product Weight (kg)	0.86774

## Dimensions

Squared (IN)	3/4 SQ
Product Length (IN)	12"

## Specifications

Unit of Measure	Imperial
