

Description

Precision Brand Square Key Steel 3/8x3/8" Imperial Steel provides a robust steel key designed specifically for precise mechanical assemblies required by trade professionals. Manufactured from high-quality C1018 steel and featuring a silver finish, it delivers consistency and technical advantages in compatibility with various mechanical setups. Hardware is included to enable straightforward integration within engineered systems. It is tailored for indoor use with precise imperial measurements to support effective assembly and maintenance tasks.

Features

- Crafted from C1018 steel ensuring robust strength and longevity
- Designed with precise dimensions for accurate fit operations
- Silver finish provides a clean, consistent appearance
- Included hardware supports efficient assembly
- Precision engineering delivers reliable performance every time
- Compact Imperial dimensions suit diverse application requirements
- Configured for straightforward integration into current systems
- Engineered to meet demanding performance in practical use

Product Code: KS3/8X3/8

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Silver
Construction	
Product Material 1	C1018 Steel

Weights

Product Weight (grams)	216.87
Product Weight (kg)	0.21687

Dimensions

Squared (IN)	3/8 SQ
Product Length (IN)	12"

Specifications

Unit of Measure	Imperial
