

Description

Precision Brand Square Key Steel 3/8x3/8" Imperial Stainless Steel is engineered using 303/304 stainless steel and finished in silver. It provides a reliable fastening solution with integral hardware, meeting precise dimensions in the Imperial unit standard. The design supports practical assembly and maintenance tasks for trade professionals. Its robust construction and accurate sizing promote longevity and efficiency in controlled indoor settings while ensuring dependable performance across varied applications.

Features

- High-quality 303/304 stainless steel ensures robust reliability
- Precisely engineered silver finish for enhanced visual consistency
- Secure indoor design tailored for stable installation
- Hardware kit included for immediate installation setup
- Precision Brand quality meets technical specifications
- Imperial dimensions ensure compatibility with relevant fittings
- Engineered for durability in demanding indoor applications
- Reliable key design supports precise, safe operation

Product Code: KS3/8X3/8SS

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Silver
Construction	
Product Material 1	303/304 Stainless Steel

Weights

Product Weight (grams)	216.87
Product Weight (kg)	0.21687

Dimensions

Squared (IN)	3/8 SQ
Product Length (IN)	12"

Specifications

Unit of Measure	Imperial
