

Description

Precision Brand Rectangle Key Steel 3/8x5/8" Imperial Steel is a high-quality component made from C1018 Steel and finished in a silver tone. It is designed for professionals requiring precise and reliable mechanical parts in trade and industrial projects. The key steel offers durability and ease of integration with included hardware for secure, efficient connections in technical assemblies and equipment. Its precise dimensions are suitable for various assembly tasks in professional settings.

Features

- Made from durable C1018 steel offering high structural integrity
- Silver finish for a professional and sleek appearance
- Includes hardware for quick, straightforward installation
- Precision branded key steel ensuring reliable performance and durability
- Compact design fits easily in confined spaces
- Engineered for precise, repeatable results in every application
- Precision engineering in every component for lasting operation
- Imperial measurements offer compatibility with standard installations

Product Code: KS3/8X5/8

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Silver
Construction	
Product Material 1	C1018 Steel

Weights

Product Weight (grams)	361.34
Product Weight (kg)	0.36134

Dimensions

Product Height (IN)	0.625
Product Width (IN)	0.375
Product Length (IN)	12"

Specifications

Unit of Measure	Imperial
