

## Description

Precision Brand Square Key Steel 4x4mm Metric Stainless Steel is a robust key steel designed for precision locking applications in professional settings. Manufactured from 303/304 stainless steel, it provides dependable performance and durability while offering practical benefits for precise key management. The product includes hardware for secure installation and is optimised for metric specifications, ensuring consistent operation and value for trade professionals requiring reliability and fine tolerance in key system components.

## Features

- Crafted from 303/304 stainless steel for lasting strength
- Square profile aids precise alignment and secure engagement
- Designed for dependable indoor applications
- Silver finish provides an attractive professional appearance
- Metric dimensions ensure straightforward system integration
- Integrated hardware simplifies mounting and connection
- Engineered for precise operation and reliable performance
- Precision performance backed by expert craftsmanship

**Product Code: KS4X4MMSS**

## Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
<b>Appearance</b>	
Product Colour	Silver
<b>Construction</b>	
Product Material 1	303/304 Stainless Steel

## Weights

Product Weight (grams)	40
Product Weight (kg)	0.04

## Dimensions

Product Height (mm)	4
Product Width (mm)	4
Product Length (mm)	4

## Specifications

Unit of Measure	Metric
